Description: Join us this Fall for an exciting Northern New Mexico elk hunt! We have secured landowner tags for 6 lucky hunters who will join us for a prime rifle season hunt.

This destination is one of the finest hunting destinations in the West. The ranch sits astride the historic migration route of the entire Southern Colorado-San Juan elk herd, making this perhaps the most extraordinary elk habitat in the Southwest. Comprised of 17,000 acres, the property is a rich alpine wilderness at the intersection of multiple ecosystems. Mountains, forests, meadows, lakes and streams attract a remarkable diversity of animals.

Accommodations: Situated on a hillside overlooking the Chama Valley, the lodge offers convenience, comfort, great food, and spectacular views. The grand room is elegantly comfortable, encircled by picture windows with spectacular views and furnished with large leather chairs and sofas perfect for relaxing after a long day out on the Ranch. There are eleven bedrooms and each have two full sized beds, a leather sofa and plenty of space for gear. Nine bedrooms have a private bathroom and two share.
